## **City of Edinburg Takes First Place in Nationwide 'Move With The Mayor' Initiative**

**Edinburg, TX** - We asked, and you delivered - the City of Edinburg got active! With over 43,000 minutes of physical activity logged across the community, the city took home first place in the Medium Company category in the 2023 'Move With The Mayor' campaign, an initiative that aims to promote positive habits and a healthy lifestyle.

Mayor Ramiro Garza Jr. helped kick off the city's successful participation in the program with Edinburg's first "Walk with the Mayor" event at the beginning of September. The MWTM initiative allowed the city to join mayors from across the country to do their part in improving heart health and reducing risk factors among their residents by encouraging them to take a few minutes every day to run, walk, bike, and more.

Though the campaign has come to an end, the City of Edinburg continues to push for a healthier and happier community through Active Edinburg, new green spaces and walking trails, and recreation facilities like the newly-opened El Tule Jose Nieto and Consuelo Alfaro Robledo Recreation Center.

Stay up-to-date with upcoming events by visiting [www.ActiveEdinburg.com](http://www.ActiveEdinburg.com) and the City of Edinburg's website.
