

COMMUNITY SAFE ZONE

Two parking spaces have been made available to exchange items purchased online via services such as Craigslist and for custodial exchanges.

For your convenience and safety, we have provided a designated area in the front parking lot of the police department for citizens to meet and exchange items purchased online and for civil child custody exchanges. We ask citizens to please limit their time in the parking spaces to a maximum of 15 minutes.

The parking spaces are located on the west side of the parking area and are available for public use 24/7, but we strongly encourage citizens to utilize the zone during the day.

The Community Safe Zone cannot be used to make illegal transactions of narcotics, dangerous or deadly weapons or any other dangerous materials. Police officers will not become involved unless police intervention is necessary.
