

# THE CITY OF Edinburg

Dear Residential Collection Customer:

The City of Edinburg's Solid Waste Management Residential Collection Policy permits "carry-out" service at the standard residential rate for residents who are unable to transfer their own garbage/recycling container to the curb for service.

In order to be eligible for this service, the following criteria must be met:

1. No one else living in the household or employed by the resident should be capable of transferring the garbage/recycling container to the curb.
2. A physician or optometrist must certify that the resident's inability is of a nature that prevents the resident from transferring the garbage/recycling container to the curb.
3. Application must be submitted annually from the date of original application. Failure to do so will result in discontinuance of residential carry-out service.

Enclosed is an "Application for Residential Carry-Out Service." The following steps must be taken when completing this form:

1. Fill out Sections I & II
2. Present the form to your physician and ensure that Section III is filled out in its entirety and is signed by him/her.
3. Mail completed application to:
