"Serving with Integrity & Commitment"

Dear Business

Preparations for the annual Edinburg Police Department's Blue Santa Christmas Toy Drive has begun. Our goal every year is to be able to distribute toys to under privileged children in our community.

This year the Edinburg Police Department along with the City of Edinburg, Edinburg Housing Authority, Edinburg Boys and Girls Club, and Edinburg Parks & Recreation, have joined together to make the Blue Santa Toy Drive more successful. Your business can play a major role in allowing us to reach many children in our community. We thank you for your continued support and would like to invite you to be part of this year's toy drive. Any contributions you make will help brighten the season for many children in our community. Monetary contributions are also welcomed.

This year's event is scheduled on December 19, 2016 at 9:00 a.m. at the Edinburg Police Department.

If you have any questions please contact Officer Balde Gomez or Silvia Garcia at 956/318-8824.

GREAT FUTURES START HERE.
