<p>Note: The City reserves the right to accept or reject bids submitted, waive formalities in bidding, consider each item submitted as a separate bid, award all or individually, whichever may be more advantageous to the City, and to hold the bids for a period of ninety (90) days without taking action thereon.</p>			

GENERAL CONDITIONS & INSTRUCTIONS – READ CAREFULLY

1. The bids must be submitted on this form only.
2. The City reserves the right to accept or reject any or all bids, waive formalities, and accept the bid deemed most advantageous to the City.
3. The City reserves the right to award the bid to the lowest responsible bidder.
4. Prices must be itemized.
5. All quotations must be F.O.B. Edinburg and include all costs for delivery and packaging.

Delivery time shall be specified by the bidder. Failure to state a firm delivery date will make an incomplete bid. Delivery time will be one of the determining factors in selecting the best bid. However, if the delivery time is not met when stated, upon notification of the same, the City may allow a ten-day grace period for delivery. If delivery is not met after the ten-day grace period allowed, the City of Edinburg reserves the right to completely cancel order and to revoke and render void the purchase order previously issued for same.

6. In cases of discrepancy between the unit price and the extension, the unit price will be taken.
7. All bids must be signed by an authorized representative.
8. Envelope containing this bid **must** be marked with **Bid No. and Bid Title** from Page 1 and sealed with tape.
9. Bid guarantee (if applicable) must be submitted with bid.
10. Any bid received after the time set for opening will be returned to bidder unopened.
11. This bid tabulation shall constitute a binding contract subject to acceptance by the City.
12. Special reference is made to bid specifications (if attached) for other conditions and instructions.
13. Failure to adhere or comply with the above general conditions and instructions will cause the bid to be rejected.

In compliance with the invitation for bid, and subject to all conditions thereof, the undersigned offers, and agrees, if this bid be accepted within 90 days from **time of closing**, to furnish any or all of the items or render such services upon which prices are quoted in accordance with the bid specifications applying, and at the price set opposite each item.

For bid inquiries, please call the Purchasing Agent at (956) 388-8204, Extension 8970.

SPECIFICATIONS
REPAIR EXISTING DRIVEWAY APRONS AT
602 W. CANTON AND 212 W. MCINTYRE

The Edinburg Fire Department is requesting a bid to repair existing driveway aprons at 212 W. McIntyre and 602 W. Canton, Edinburg, Texas. This is a turn key project and bidder is responsible for all material, labor, and removal of debris. Please refer to drawings provided for estimated measurements, if unclear please visit each site. Specifications are as followed:

1. **602 W. Canton – Fire Station #2 – BASE BID**

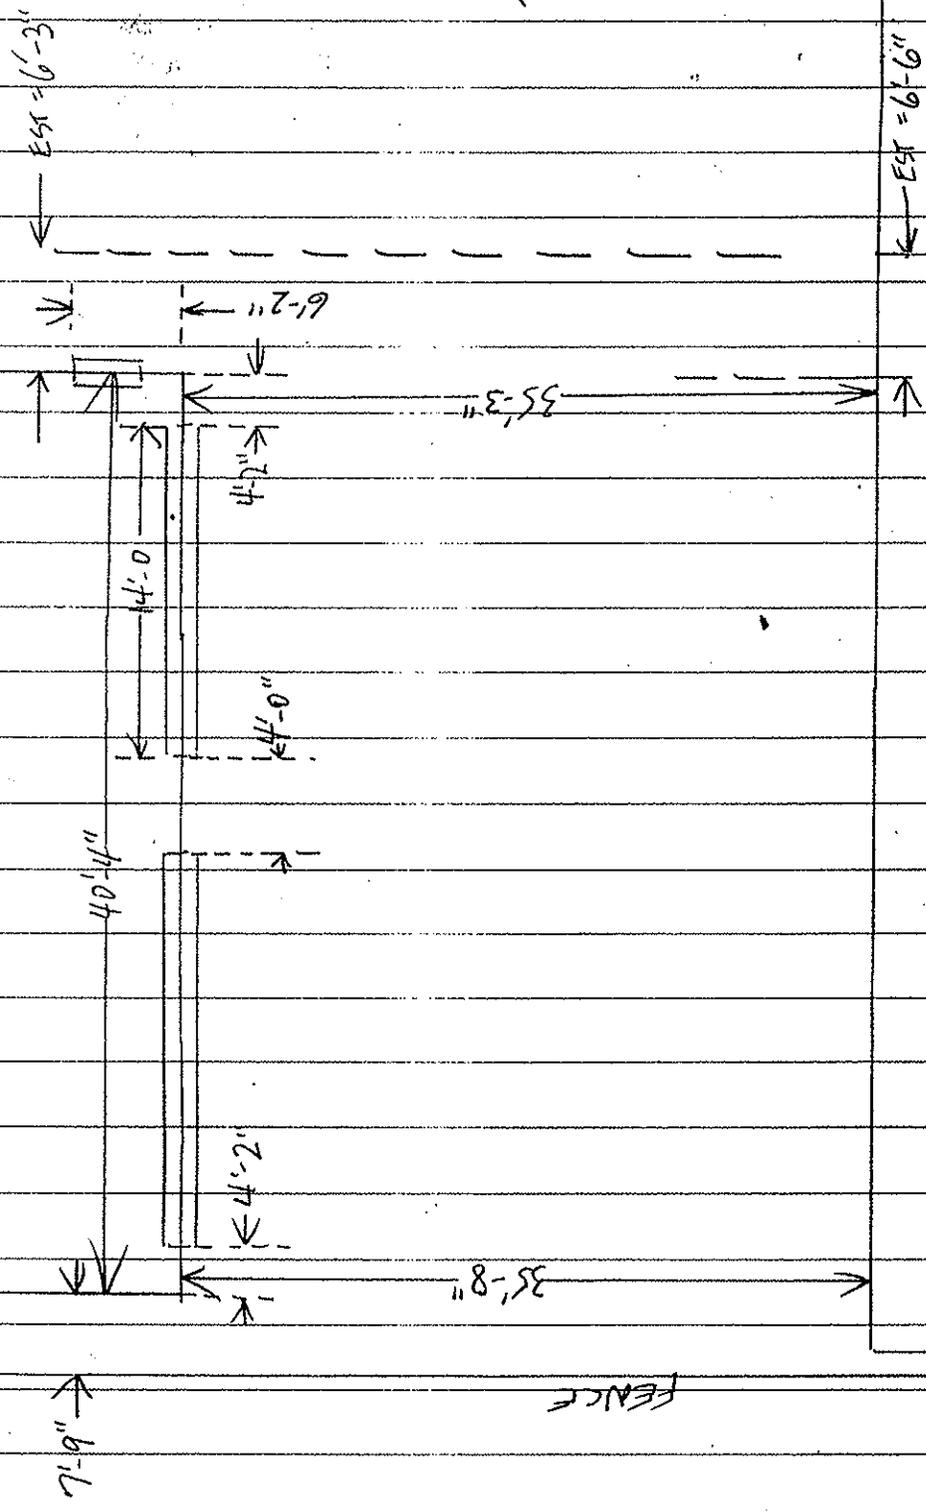

- Remove existing caliche that is necessary for job, extra material will be used on the West side of the concrete material will be used on the West side of the concrete apron to level the area and to minimize slope from slab to yard area.
Talk to Fire Chief.
- Compact caliche for proper support.
- Tie ½" rebar at 12" on center.
- 18" deep x 12" wide perimeter beam on all outside edges.
- Dowel ½" rebar into existing concrete on North and South side at 24" on center.
- Expansion joints where necessary.
- Shall have 3000 psi concrete (confirmed) with light brush finish.
- Slab shall be at least 6" thick continuously.

2. **212 W. McIntyre – Fire Station #1 – ALTERNATE BID**

- Remove existing concrete that is necessary for job. Remove and replace caliche base that is deteriorated. Add necessary material to dry and firm caliche base and compact to proper density.
- This concrete apron shall include a valley gutter format that extends into the street 36 inches from the center line of the valley gutter. The bidder shall ensure proper construction of the valley gutter to ensure water flow and drainage from East to West towards the street drain inlet.
- Tie ½" rebar at 12" on center.
- 18" deep and 12" wide perimeter beam on all outside edges
- Dowel ½" rebar into existing concrete on South, West and East sides at 24" on center.
- Expansion joints where necessary.
- Shall have 3000 PSI concrete (confirmed) with light brush finish.
- Slab shall be at least 6" thick continuously and transition into any existing slab smoothly without elevation issue.

**** Note**** Because project sites are at working fire stations, planning of job with Fire Chief is vital to prevent fire apparatus from being blocked. **Talk to Fire Chief.**

BOND AND INSURANCE REQUIREMENTS

(A) If the contract amount is over \$25,000 for construction or facility improvements, the successful bidder shall provide a bid guarantee, give a good and sufficient bond in the amount of the contract price for the faithful performance of such contract, executed by a surety company authorized to do business in the state, in accordance with state statutes, as amended. A payment bond in the full amount of the contract price to assure payment is required by law of all persons supplying labor and material in execution of work provided for in the contract.

(1) A bid guarantee equivalent to 5% of the bid price is required from each bidder. The bid guarantee shall consist of a firm commitment such as a bid bond, certified check or other negotiable instrument accompanying a bid as assurance that the bidder will, upon acceptance of his or her bid, execute such contractual documents as may be required within the specified time.

(2) A performance bond on the part of the contractor for 100% of the contract price is required. A "performance bond" is one executed in connection with the contract to secure fulfillment of all the contractor's obligations under such contract. It is solely for the protection of the City awarding the contract; in the amount of the contract; and is conditioned on the faithful performance of the work, in accordance with the plans, specifications, and contract documents, including warranties. The performance bond shall remain in effect during the warranty period of the contract or for one year, whichever is longer.

(3) A payment bond on the part of the contract for 100% of the contract price is required. A "payment bond" is one executed in connection with a contract to assure payment, as required by law, of all persons supplying labor and material in execution of the work provided for in the contract. The payment bond is solely for the protection and use of payment bond beneficiaries who have a direct contractual relationship with the prime contractor or a sub-contractor to supply labor or material and is in the amount of the contract.

(4) Failure of a contractor to comply with this section authorizes the City Manager to terminate the contract and retain any applicable security.

(B) A bid guarantee, performance and payment bond will not be required for contracts zero to \$25,000. The City will specify in the contract that no money will be paid to the contractor until the project has been completed and final acceptance has been made by the City.

(C) Staff may waive insurance requirements for contracts \$0 - \$4,999.99, including but not limited to contracts for food, materials, supplies, and construction. Workers' Compensation in amounts which satisfy statutory coverage shall be required for construction projects.

(D) The following insurance requirements will be included in all City contracts of \$5,000.00 - \$14,999.99. In contracts not involving building and construction projects, as that activity is defined in TEX. LABOR CODE §406.096, contractors may obtain alternative form of worker accident insurance with minimum limits of liability of \$100,000 per claim.

Minimum Insurance Requirements	
Type of Coverage	Limits of Liability
Worker's Compensation	Statutory Coverage
Comprehensive General Liability (City named as additional insured) Bodily Injury	\$250,000 each person/\$500,000 each occurrence
Property Damage	\$100,000 each occurrence/\$100,000 aggregate or \$500,000 combined single limits

(E) The following insurance requirements will be included in all City contracts of \$15,000 or more.

(1) The successful bidder will be required to carry the following insurance coverage and limits of coverage, as well as list the City as an additional insured to liability coverage as requested by the City. In addition, the successful bidder shall provide the City with evidence of coverage and furnish acceptable proof of payment of insurance premiums.

(2) The successful bidder will be required to secure and/or have insurance coverage in force with an admitted property and casualty insurance company licensed by the State of Texas to conduct business in the State of Texas.

(3) In contracts not involving building and construction projects, as that activity is defined in TEX. LABOR CODE §406.096, contractors may obtain alternative form of worker accident insurance with minimum limits of liability of \$100,000 per claim.

Minimum Insurance Requirements	
Type of Coverage	Limits of Liability
Worker's Compensation	Statutory Coverage
Employer's Liability	Bodily Injury by Accident: \$100,000 each accident Bodily Injury by Disease: \$100,000 each employee/\$500,000 policy limit
Comprehensive General Liability Bodily Injury	\$250,000 each person/\$500,000 each occurrence
Property Damage	\$100,000 each occurrence/\$100,000 aggregate or \$500,000 combined single limits
Comprehensive Auto Liability Bodily Injury	\$100,000 each person/\$500,000 each occurrence
Property Damage	\$100,000 each occurrence/\$100,000 aggregate or \$500,000 combined single limits
City's Protective Liability Bodily Injury	\$250,000 each person/\$500,000 each occurrence
Property Damage	\$100,000 each occurrence/\$100,000 aggregate or \$500,000 combined single limits
