REQUEST FOR BIDS FOR
COMMERCIAL METAL CONTAINER(S)**

BID NO. 2017 -03

BID OPENING DATE: Monday, October 03, 2016 at 3:00 p.m.

It is the intent of this Request for Bids to describe and ultimately make it possible for the City of Edinburg to contract for the below mentioned **COMMERCIAL METAL CONTAINER(S)**.

GENERAL REQUIREMENTS AND AGREEMENT FOR THE COMMERCIAL METAL CONTAINER(S):

You are invited to submit a sealed bid for the Commercial Metal Container(s) as requested by the City of Edinburg Department of Solid Waste Management. NO ALTERNATE BIDS OR PARTIAL TIME FRAME BIDS will be accepted unless requested by the City.

INSTRUCTIONS	INITIAL
The specifications herein describe the minimum acceptable features, colors and performance requirements for rollout waste containers the City of Edinburg will purchase for its citizens. Bidders are to have thoroughly read and understood these specifications prior to bid submission.	
	INITIAL
All bids must be submitted on the City's form provided. Bidders shall complete the yes/no/exception column. The proposed yes/no/exception is to indicate that they are able to perform or provide the service or item as specified. If an item is left blank, the City will assume the bidder cannot meet the specifications and may cause rejection of the bid. The City of Edinburg Dept. of Solid Waste Management manages a uniform and standardized inventory which expressly provides for the interchangeability of common and/or singular components and reduces the need for large inventory stock; therefore, all variations and/or exceptions must be documented , referencing applicable paragraph(s), and explained in detail on a separate page titled <u>"Exceptions"</u> . Otherwise it will be considered that equipment offered is in strict compliance with these specifications and requirements, and successful bidder will be held responsible therefore. If the City of Edinburg determines by any means that <u>exceptions</u> exist which were not identified on such list, then that bid will be disqualified as being non-responsive. If no exceptions are taken, it will be assumed that the bid meets all specifications as stated. However, no implication is made by THE CITY OF EDINBURG that exceptions will be <u>acceptable</u> . Bidder is advised that the response (or lack thereof) on this question does not take precedence over specific responses or non-responses provided elsewhere in this bid.	
	INITIAL
The CITY OF EDINBURG reserves the right to reject any and all bids, the right to waive informalities, and the right to disregard alternate bids, nonconforming bids, conditional bids, partial bids, or counter bids. It is the intention of THE CITY OF EDINBURG to execute a final, binding Contract with the successful Vendor which incorporates terms and conditions no less onerous than those appropriate to the engagement of a licensed contracting firm in connection with a project/purchase of this magnitude, nature and importance. If the contract is to be awarded, it will be awarded to the lowest responsible Vendor whose evaluation by the CITY indicates that the award will be in the best interest of CITY OF EDINBURG. Pricing must be firm and held for the contract term by signing the Bid; the bidder agrees that he had read and understood the instruction to bidders and thereby agrees to all of the specifications and stipulations as listed.	

SATISFACTORY SERVICE		INITIAL		
It is agreed that all goods and services by the supplier or service provider shall be to the satisfaction of a designated City representative. The supplier or service provider shall maintain this contract during the termination period. Termination of the contract may not relieve the supplier or service provider of any liability to the City for damages sustained by the City because of any breach of this agreement by the supplier or service provider. The City may withhold any payments to supplier or service provider for the purpose of set-off until such time as the exact amount of damages due to the City is determined.				
WARRANTY		INITIAL		
The successful supplier or service provider shall furnish <u>factory warranty</u> on all goods or services furnished hereunder against defect in materials and/or workmanship. The <u>factory warranty</u> shall become effective on the date of delivery and acceptance by the City.
