AMERICAN'S WITH DISABILITIES ACT

This landmark civil rights legislation went into effect January 26, 1992. It is a significant step forward in the effort to make our society's services and opportunities fully available to all Americans by combating barriers and prejudices that confront those of us with disabilities. The City of Edinburg is committed to implementing the intent and spirit of this legislation. Individuals with special needs are asked to contact the Edinburg Parks and Recreation Department 48 hours prior to the class or program commitment so that every effort may be made to accommodate that person's special need.
