CONFLICT OF INTEREST

DISCLOSURE

Prospective contractors/vendors should carefully consider whether any of their activities may give rise to an improper conflict of interest situation. Conflict of interest situations that are not properly addressed can result in a loss of funding to a specific program and/or to the City of Edinburg, and in some cases can result in civil or criminal liability.

Organizations that may be awarded funding from goods or services through the City of Edinburg should examine the following:

- * Are any employees or board members of the organization,
 - a City of Edinburg employee or consultant who exercises program or project specific functions as part of their City position?
 - a member of a Board, Council or Committee that may participate in the City's selection or award process?
 - a City Official?

 - a City Official?

- * Will any of my employees or board members receive a financial interest or benefit from any project funded and administered through the City (other than employee salaries or personnel benefits)?

- * Will any immediate family members or business associates of my employees or board members receive a financial interest or benefit from any project funded and administered through the City (other than employee salaries or personnel benefits)?

- * To my knowledge, will my program or project have a financial effect on a City official or employee who exercises City-related functions, or an immediate family member or business associate of such person? For example, will any of these persons be receiving rental payments, other business income, or program services from my company or services offered?

If you can answer "yes" to any of these questions, it is possible that there may be a conflict of interest. You should review the rules below to determine whether an actual conflict situation is raised, and, if so, what action needs to be taken to avoid a violation of the law. You should contact City staff immediately if you suspect that there might be an issue.

Any contractor/vendor entering into an agreement with the City will be required to warrant and represent, to the best of his/her knowledge at the time the contract is executed or prior to approval of funding for the purchase of goods or services, that he/she is not aware of any improper conflict of interest as described. Also, the contract and/or approval of award will obligate contractors/vendors to exercise due diligence to ensure that no improper conflict situations occur during the duration of the project.

SYSTEM FOR AWARD MANAGEMENT REGISTRATION AND ACTIVATION

Any business choosing to bid or provide proposals on Federally Funded projects, must be currently REGISTERED and ACTIVE in the System for Awards Management (SAM) database, at the time of bid opening. This database is the primary federal registrant portal for the collecting, validating, storing and disseminating data on federal awards. SAM is an official website of the U.S. government and there is no cost to register on this site.

1. Does your organization have ACTIVE REGISTRATION status with SAM.gov?
 Yes No
2. If so, please provide you organizations **Unique Entity ID (UEI#)**: _____

Note: Immediately after the bid opening takes place, the City will enter the bidder's UEI number into the SAM database search engine. If the prospective bidder is not listed as ACTIVE on the database, the bid will be deemed non-responsive and disqualified from consideration of award.

To register, please access the following internet website: <http://www.sam.gov>.

What is the UEI?

Beginning April 4, 2022, the federal government will stop using the DUNS number issued by Dun and Bradstreet to uniquely identify entities. At that point, entities doing business with the federal government will use a Unique Entity Identifier (UEI) number assigned in [SAM.gov](http://www.sam.gov) and will no longer use a third-party website to obtain their identifier number. Entities are able to manage organizational information, such as legal business name and physical address associated with a UEI number, directly from [SAM.gov](http://www.sam.gov).

How do I register with SAM?

To register with SAM, go to the System for Award Management (SAM) site. Follow the online instructions to complete SAM registration. If you have any questions please contact the Federal Service Desk at www.FSD.gov. Their phone number is (866) 606-8220.
