Effective as of 11:59 P.M. on Friday, March 20, 2020, and continuing until the state of disaster is terminated, or other date as determined by the City Council, unless terminated or modified by an earlier Order, the Mayor of Edinburg, Texas deems it in the public interest to **PROHIBIT any public or private Community Gatherings (as defined in Section 3, below) anywhere in the City of Edinburg.**

Section 3. Definitions:

- a. For purposes of this Order, a “Community Gathering” is any indoor or outdoor event or convening, subject to the exceptions and clarifications below, that brings together or is likely to bring together ten (10) or more persons at the same time in a single room or other single confined or enclosed space, such as an auditorium, theater, stadium (indoor or outdoor), arena or event center, meeting hall, conference center, convention center, large cafeteria, restaurant, or nightclub/bar, or any other confined indoor or outdoor space. For clarity, this includes, but is not limited to, weddings, religious gatherings, parties, funerals, sporting events, social events, conferences, and other large gatherings.
- b. An outdoor “Community Gathering” under this Order is limited to events in confined outdoor spaces, which means an outdoor space that (i) is enclosed by a fence, physical barriers, or other structure and (ii) where people are present and they are within arm’s length of one another for extended periods.
- c. This Order does not prohibit gatherings of people in multiple, separate enclosed spaces in a single building such as a multiplex movie theater, school classrooms, or different floors of a multi-level building, so long as 10 people are not present in any single space at the same time. This Order does not prohibit the use of enclosed spaces where 10 or more people may be present at different times during the day, so long as 10 or more people are not present in the space at the same time. For any gathering covered by this subsection, compliance with social distancing recommendations, including providing hand sanitizer and tissues and increasing cleaning of commonly and frequently touched surfaces, is strongly encouraged.

- d. For purposes of clarity, a “Community Gathering” does not include spaces where 10 or more persons may be in transit on buses, trains or airplanes; or waiting for transit, such as airports, bus stops or terminals. In addition, “Community Gathering” does not include the following spaces where 10 or more persons may congregate, so long as visitors are generally not within arm’s length of one another for extended periods:
- i. Residential buildings so long as the persons in these spaces comply with section (d) hereinabove;
 - ii. Grocery stores, shopping malls, or other retail establishments where large numbers of people may be present, but their presence is transient and it is unusual for them to be within arm’s length of one another for extended periods;
 - iii. Hospitals and medical offices and facilities, including but not limited to nursing homes and retirement or long-term care facilities (such as assisted living facilities and adult day care centers).
 - iv. Child day care centers, group day care homes, or family homes so long as those facilities follow the COVID-19 guidance from HHSC Childcare Licensing, the Center for Disease Control (CDC), and the Texas Department of State Health Services.

Section 4. Persons shall not eat or drink at bars, restaurants, and food courts, or visit gyms. However, the use of drive-thru, pickup, or delivery options is allowed and highly encouraged.

Section 5. Persons shall not visit nursing homes or retirement or long-term care facilities except to provide critical assistance.

Section 6. Persons shall limit trips into the public to essential outings. Travelling to work, the grocery store, the pharmacy, or to seek medical care would be considered essential trips.

Section 7. All provisions of Order 2020-01 not in conflict with this Order remain in effect, including that any person, business, or organization providing testing for COVID-19 shall report to the Emergency Management Coordinator, Chief Shawn Snider, that they are conducting such testing by calling 956-605-0760 or emailing ssnider@cityofedinburg.com.

Section 8. That peace officers, City of Edinburg Code Enforcement Officers, and the Edinburg Fire Marshal are hereby authorized to enforce this order. A violation of this Order is a Class C Misdemeanor punishable by a fine not to exceed \$500.

Section 9. In addition, people who are known to have, or are under investigation or monitoring, for COVID-19 must abide by direction provided to them by duly authorized persons, including public health officials. Failure to abide by such direction may result in involuntary quarantine or isolation for the purposes of preventing further community spread of COVID-19.

Section 10. People who are ill, especially those with symptoms consistent with influenza or COVID-19, should isolate themselves at home until they recover. Such persons should only present for medical evaluation or treatment if their symptoms are such that they cannot continue to be cared for in their home. And, when seeking medical care, should call their doctor or health care facility before arriving to allow them to prepare.

Section 11. The City of Edinburg shall post this Order on its website. In addition, the owner, manager or operator of any facility that is likely to be impacted by this Order is strongly encouraged to post a copy of this Order onsite and to provide a copy to any member of the public asking for a copy.

Section 12. If any subsection, sentence, clause, phrase or word of this Order or application of it to any person, structure, gathering or circumstance is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, then such decision will not affect the validity of the rest of the order.
